IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application of:

Marion J. G. Bussemakers *et al.*

Appl. No. 09/402,713

§ 371 Date: June 13, 2000

Confirmation No.: 6311

Art Unit: 1642

Examiner: Yu, Misook

Any. Docket: 1619.0020001/JAG/CMB

For: PCA3, PCA3 Genes, and Methods of Use

DECLARATION PURSUANT TO 37 C.F.R. §1.132 OF
MARION J. G. BUSSEMAKERSAssistant Commissioner for Patents
Box AF
Washington, D.C. 20231

Sir:

I, MARION J.G. BUSSEMAKERS, do hereby declare as follows:

[1] That my work address is:

Urology Research Laboratory
University Medical Centre Nijmegen
Nijmegen, The Netherlands

[2] That I am an inventor of the subject application;

[3] That I am a coauthor of the abstract: Bussemakers, M.J.G., Van Bokhoven, A.,

Ru, N., and Isaacs, W.B.: DD3: a new prostate specific marker, overexpressed in prostatic
tumors; 87th Annual Meeting of the American Association of Cancer Research, Washington,
DC, 1996, April 20-24.[4] That coauthor Adrie Van Bokhoven made no inventive contribution to the
invention claimed in the present invention, but rather was a technician who carried out
experiments under my direct control and supervision as project leader in Nijmegen;

Serial No. 09/402,713
Art Unit: 1642

[5] That it is my belief that coauthor N. Bu made no inventive contribution to the invention claimed in the present invention, but rather was a post-doctoral fellow who carried out experiments under the direct control and supervision of co-inventor, William B. Isaacs at Johns Hopkins University; and

[6] I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

March 23, 2005

Date

Marion J.G. Bussemakers
